

FishPass Open House

Purpose: To provide information about the FishPass design; to offer an opportunity to talk one-on-one with FishPass experts; and to inform participants in advance of the Michigan Department of Environmental Quality (MDEQ) public comment session (immediately following open house).

Format: Posters and one-on-one conversation.

The MDEQ public hearing will begin at 6:00pm in the same location.

**February 12, 2019
4:00-6:00pm**

**Traverse City Government
Center, 2nd Floor
400 Boardman Ave.**
